

## WORKSHEET 1.5. "Present MySelf"

Your task is to present yourself.

The audience is your fellow learners, as they sit. This is a real situation, you are who you are and there is no role-play game in here. This is an oral informal presentation.

Feel free to use all the space, objects in the class in order to present **all** of the following information about you (not obligatory in this order):

1. Name, Surname
2. Where do I live
3. Family (status, etc.)
4. Where do I teach (school, class(es), age of my students)
5. What did I study – what do I teach
6. Favorite dish (food)
7. What would I like to do in this journey (even if I cannot)

You have 5 minutes to think what to say (you can take notes below) and then 2 minutes will be yours to present yourself!
